CEO Today Asia Awards 2018

CEO Today is pleased to announce that its 2018 Asia Awards edition has now been published.

Dedicated to recognising strong and innovative leadership amongst business leaders operating in Asia, the CEO Today Asia Awards recognises the CEOs who are leading in their respective sectors and beyond.

As Asia continues to experience rapid economic and commercial success, it's clear that CEOs are the critical cog in the wheel of growth and expansion. It is for this reason that we at CEO Today are honoured to bring together companies pushing the envelope in business, to highlight the executives and leaders that make this progress possible.

Editor-in-chief, Mark Palmer commented: "At CEO Today, we are immensely proud to be able to recognise and honour those who operate in Asia and whose hard work, ingenuity and passion drive their companies forward and inspire others."

CEO Today would like to thank all contributors and participants in the 2018 Asia Awards. Congratulations to our winners and finalists.
